

IRE 2026

3rd & 4th JULY 2026

HMDA Grounds, NecklaceRoad, Hyderabad

INDIA RENEWABLE ENERGY EXPO

Government Supported · MSME Focus · Hyderabad

ABOUT THE EXPO

India's premier green energy exhibition focused on EV, Solar, BESS, Wind and Hydel sectors. 75 organisations invited for quality debates on policy, technology and adaptation — with a structured 3-year progression plan through 2029. First national introduction of key new technology products with special MSME emphasis.
